

Encontros da Arrábida – Caminhos da Complexidade

Instituto de Ciências da Complexidade

1. 2001: **Complexity and Innovation** organized by Hélder Coelho;
2. 2002: **Complexity in Economy and Social Sciences** organized by Tanya Araújo.
3. 2003: **Dynamics of Networks**, from Biology to Social Sciences organized by Alexandre Quintanilha and Tanya Araújo.
4. 2004: **Languages**, organized by J. Félix Costa and Hélder Coelho.
5. 2005: **Ciência e Arte** organized by João Caraça and Tanya Araújo.
6. 2006: **Mathematics of Innovation**, organized by J. Caraça, R. Vilela Mendes and Tanya Araújo.
7. 2007: **Life Sciences**, organized by António Martins da Silva and Tanya Araújo.

8. 2008 **Ciências da Complexidade: Complexidade e Simulação Política**, organized by Luis Correia and Hélder Coelho
9. 2009 **The notions of emergence in physical and social sciences**, organized by R.Vilela Mendes, John Symons, Tanya Araújo and Jorge Louçã.
10. 2010: **Innovation and regulation in socio-economic environments**, organized by Luiz Vazquez and Tanya Araújo.
11. 2011: **Anthropology and Complexity**, organized by Ana Saraiva and Luís Correia.
12. 2012: **Power, Leadership and Complexity** organized by João Caraça and Hélder Coelho.
13. 2013: **Statistical dynamics of complex systems**, organized by I. Gamba, M.C. Carvalho, R. Vilela Mendes and Tanya Araújo.
14. 2014: - **Creativity**, organized by Jorge Louçã.
15. 2015 – **The Scientific problems of space exploration**, organized by R. Vilela Mendes and Luis Vazquez
16. 2016 - **Seminar on shadow finance in the global crisis**, organized by F. Louçã
17. 2017 - **Mathematical approaches to complex systems: Statistical mechanics and partial differential equations**, organized by M.C. Carvalho, Eric Carlen and R. Vilela Mendes
18. 2018 – **Perspectivas, especulações e utopias**, organized by Helder Coelho and Tanya Araújo
19. 2019 – **Complexidade 4.0: Modelos e Políticas Globais**, organized by Rui Malhó, J. Braga de Macedo and Helder Coelho
